

CINS Meeting Minutes
October 15th, 2005 Ottawa, Ontario
Chair: Dominic Ryan, CINS President

1) Review of outcomes from Trustees meeting

Dominic outlined some of the issues which had been discussed at the Trustees meeting earlier in the day. These included travel support for students to attend this meeting, the movement of the CINS head office to the Chalk River Laboratories as well as the need for an advisory board for the Canadian Neutron Beam Centre (CNBC)

Action: Once compiled Dominic will circulate a list of potential CNBC board members to CINS members for comment.

2) 2006 CINS Annual General Meeting (AGM)

The 2006 CINS AGM will be held at the University of Western Ontario in London, Ontario. Jamie Noel will co-ordinate and organize this meeting.
