

**CINS Trustees Meeting**  
**Oct. 14, 2006, University of Western Ontario**

**Members Present:** Dominic Ryan (Trustee for McGill and CINS President), Michael Steinitz (Trustee for St. FX), Jamie Noël (Trustee for UWO) Carl Adams (CINS Treasurer)

- 1) Carl Adams gave a financial update. There are very few changes since the last Trustees Meeting (on Sept. 8). He has not sent out a request for dues as of yet.
- 2) Carl approached John Dutcher (Guelph) to ask about him possibly serving as Chair but he declined.
- 3) We thought that Queen's might make a good host for next year's AGM. Need to clarify this with Lynann Clapham.
- 4) Thanks to efforts by Jamie Noel securing funds from the Faculty of Science and Research Western the AGM/Workshop on Instrumentation should come in at much less expensive level.

Carl Adams

Treasurer CINS
